

19 February 1982

MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

FROM:

 Chief, Printing and Photography Division, OL

STAT

SUBJECT: Support Resource Package

REFERENCE: Multiple Addressee memo, dtd 17 February 1982,
from the Executive Officer to the DDA, same
subject (OL 2 0716)

1. Without amplification of the information contained in the attachment to the referent it is impossible to accurately judge the impact of these factors on the Printing and Photography Division, OL (P&PD/OL).

2. It is safe to say that unless a substantial number of the personnel identified in the package are involved in publishing, photographic, or graphic production activities, the impact on P&PD's production resources will be negligible. It should be noted, however, that the addition of as many as  staff personnel is certain to have some effect on the copier management program, but again without more detailed data, the impact cannot be estimated.
